SUMMER SCHOOL PROGRAM

SCHOLARSHIPS ARE AVAILABLE FOR STUDENTS*

Erasmus+ project

Co-funded by
the European Union

1. ONLINE PRE-COURSE

Prepare for **multifaceted** and **ambiguous challenges**. Sharpen your **critical and systems thinking skills**. Get a taste of the summer school's **team-based atmosphere**.

A short course by teachers in top European universities to **gain the essential knowledge** to **conquer the summer school projects**.

Meet your future teammates from all over Europe and experience the **collaborative environment** that is waiting for you!

2. SUMMER SCHOOL

EINDHOVEN, NL 30/06 - 07/07

Can **digital education** become **open, accessible** and **future-proof**; in other words, **sustainable**?

We want **your help** to open a **systemic debate** on the **impacts and sustainability** of digital education and its infrastructure.

Explore **current approaches** to digital education, and redesign courses using **four sustainability dimensions**:

ENVIRONMENTAL
TECHNOLOGICAL
PEDAGOGICAL
SOCIAL/ETHICAL/LEGAL

*ONLY FROM PARTNER UNIVERSITIES. FULLY SELF-FUNDED PARTICIPATION IS ALWAYS POSSIBLE.
